Bal Ganesh 2 720p Download Movie The strange and strange plans of Bal Ganesh, the elephant god who is a bit too bright for his own good. In the sequel to this hit Indian film, Bal Ganesh is involved in a great many things – from advising Bollywood stars on their love lives to conducting unlikely experiments – but nothing quite prepares him for what lies ahead. The movie arrives with an appropriate supporting cast that includes not only the beloved Akhil Sachdeva as one of India's most renowned astrologers but also Peter Sellers as a professional prankster.

Bal Ganesh 2 720p Download Movie This 1978 film, directed and written by Ketan Mehta has a lot of fun with the legend of Bal Ganesh and his relationship with the human race, as well as featuring some great musical moments. The film is set in Mumbai, and revolves around Bal Ganesh who has been reincarnated as an elephant. It features a large cast including Om Puri, Pankaj Kapoor and many other actors from India's top industry. This movie is inspired by another hit Indian film – "Mrichhchakrichhaka" – that was released in 1961. The film, like the original, puts a humorous twist on the myth of Bal Ganesh, who is portrayed as a horse-loving prankster who just can't keep his big mouth shut.
